Comments Report

Spring 2020 Course Feedback Form

What are some of the major strengths of the course?

- Ability to work in a group
- Canvas organization
- Our recitation teacher gave us great feedback on our assignments and helped us understand the worksheets.
- The course was in addition to the lecture and had us working with groups before Covid.
- The instructor tried his best to help us and the set up was good.
- review
- the TA professor thoroughly communicating with us and reminding us of things.

What are some of the major opportunities for improvement?

- Give students the opportunity to work in small groups, and improve their teamwork skills.
- It was hard to understand our professor because some of his explanations did not make sense.
- The book, assignments, access to materials, homework assignments nothing like the chapters or learning areas.
- after the transition, I did not see a point to it. Just as more homework which did not help my situation or understanding.

■ I really enjoyed having you as my recitation professor. I think you did a good job when we would meet in person too. You were nice and helpful when i didnt understand stuff and would always answer my emails quickly.
