- I as well as some other struggled to actually learn anything; we also had a hard time understanding the teacher. The 2nd midterm we didn't have enough time to work problems and I ran out of time and felt rushed trying to take the exam which drastically dropped my grade.
- Satyaki in my opinion was set up to fail, but even so he was very kind and did a good job with his hands being tied as much as it was. I liked him and I would've loved for him to got a chance to ACTUALLY TEACH.
- The breakout rooms are a complete waste of time. People just sit in silence for the most part. It would be more effective for the instructor to walk through the assignment. When people do have questions is like he is stuck in a script.
- Very nice and helpful

- Even the tutor can not address questions on how to do this work.
- Once again I do not blame Satyaki, I blame the overseeing professor. He didn't allow Satyaki to do anything and I believe the course suffered as a result.
