- A really passionate instructor.
- He gave his best effort to teach well in a course that does not leave a ton of room for a great professor to actually teach.
- He was a great instructor overall, gave good lectures and provided us with many resources. I really enjoyed his teaching!
- Mr. Chakravarty responded to questions (during class and in emails) promptly, which was appreciated.
- Really good at explaining concepts to clear confusion.
- Satyaki was very helpful and very willing to engage with his students and help them whenever needed.
- This course was tricky, the issues spark from the "lecture" portion but Professor Chakravarty was fantastic, he did what he could given his 1 time meeting each week

- I wish there was an actual class space to be taught the concepts. These concepts were pretty challenging and i wished there was more room for them to be taught to students.
- N/A
- This course from an online teaching method is difficult and is not as effective as to face to face.
- Would have liked some video lessons that we could go back to on our own time.
