- He is wonderful he helps out so much
- I enjoyed the class.
- Professor C was very helpful and resourceful, he took time to comment on each assignment and let me know what I should work on!
- The emails were very helpful in keeping up with the fast passed class.
- The instructor was very nice and accommodating, I needed to have survey and had an ER trip in the middle of my first exam weekend, he was so nice to stay in touch and make any changes needed to my testing times when I was home from the hospital. I felt very valued as a person.

- Handled greatly
- I don't like the course but professor Satyaki Chakravarty goodwill have make me like the course.
- I really liked the excel activities!
- I wish he would give 2 days for exams, only allowing one day to take the exam is challenging especially when they were often during the work week.
- Maybe offer extra credit to give students an opportunity to learn more and have more practice.
- This is a difficult course would not recommend doing in the summer unless you are able to learn fast.
- the course is pretty challenging.
